In the Autumn, and a lustre in it's  
sky,  
Which thro' the summer is not heard  
or seen,  
As if it could not be, as if it had not  
been.

Shelley

I saw old Autumn in misty  
morn standing shadowless  
like silence listening to si-  
lence.

Tw'as Autumn, and the  
leaves were dry, and rus-  
tled on the ground and  
chilly winds went whistling  
by with low pensive sound.  
Seba Smith

One's friends are  
that part of the hu-  
man race with  
which one can be  
human.

As I grow to understand life less and less, I  
learn to live it more and more.

Time is a circus  
always packing  
up and moving  
away.

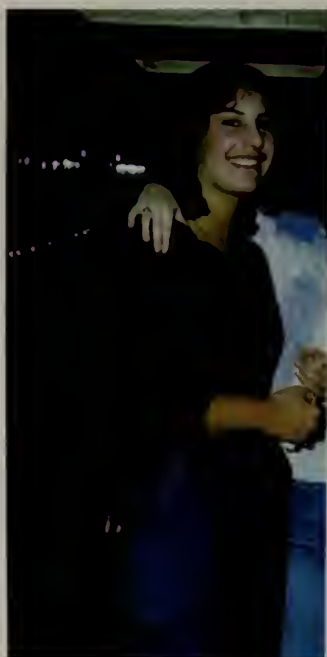

Friend

Don't walk away  
Just hold my hand  
Say that you love me  
and understand

Lisa Salines

## ***CLASS OF '82***

Time goes so fast  
Life asks so much,  
No wonder friends get out of touch.

But in our hearts  
Deep true, unseen  
friendship stays forever green.

## FALL

Fall included the usual school activities: dances, football games, and colorday . . . a senior victory. Autumn '81 was also marked by news of Poland and the air traffic controllers' strike. Such songs as "Start Me Up" by the Rolling Stones and "Centerfold" by J. Geils topped the charts. Saugus High students flocked to see "Raiders of the Lost Ark" and "Arthur". Other fall events included: The Great Donkey Hill Party, the Navy Band Concert, the first SHS magic show and the food fights during third lunch. Memories were in the making and our first impressions of being seniors were pleasant ones.

# ***BOYS VARSITY HOCKEY***

The 81-82 Hockey Team had a great season. Lead by team captains Jim Quinlan, Dwayne Oxley, and Shaun Murray. The team was able to advance to the State Championship, winning their first game to Waltham but losing their second game to Woburn. Thanks goes to Coach Serino for making the team so successful.

## WINTER

The winter season came and went, keeping us busy with the sports of hockey and basketball. Christmas concerts and New Year's Eve parties occupied the earlier part of the season, while the Winter Reception and Valentine Carnation Sale occurred later that winter. We were now well into our senior year; graduation seemed closer than ever. Meanwhile, the class of '82 became more united as the many memories and friendships took root.

## Thoughts on a sunset

Sun  
Bright and orange  
Reflests on sparkling sea  
I'm all alone here  
Tis no one but me  
Ocean waves  
Thunderous roar  
Happily welcomes as it most with the shore  
Now I'm all alone here  
There's no one any more  
Clouds  
Fluffy whilte  
Drift off in the night  
Now I'm all alone here  
But I know it's all right  
Sky  
Bright blue and fastly turning black  
The sun is now sinkimg but it will be back  
Now I'm all alome except for the stars that shine  
For I am the moon and the sky is all mine
